

Cashback is king

13 October 2020

Recently, we've seen that other businesses are slashing their cashback rates or even cancelling them completely. This means there's never been a better time to talk about our cashback card.

Along with our award-winning services, we're the only utility provider helping customers to save while they shop with our unbeatable cashback card.

It's the UK's most generous cashback card. Customers can enjoy up to 7% cashback on everyday shopping, online and in-store at our retail partners including Sainsburys, M&S, Boots, Halfords and many more, plus 1% cashback everywhere else.

As we head towards the festive season and the end of a difficult year, money (and how to look after it) will be on many people's minds. The combination of our great value services and market-leading cashback is a great way for customers to save at an expensive time of year.
